Saints frenzy has kicked into super drive in New Orleans, with the city's treasured football team heading to its first Super Bowl after Sunday's (Jan. 24) victory over the Minnesota Vikings.

As a tribute to the team, here's the "TU Dat" video by Ryan Rivet and Paula Burch-Celentano, with music from Nick Marinello, as Tulane staff, students and faculty members cheer for the black and gold, including an energetic Who Dat cheer from the French department.
