For Green Wave fans who have been among the crowd on game days at [Yulman Stadium](#), news that the facility is ranked among the best will come as no surprise.

This week, *The Bleacher Report* released a listing of the [Top 25 College Football Stadiums of 2016](#). Yulman is in that number, listed at 25.

Rankings are based on amenities, environment and history and are limited to venues where the college team is the main tenant.

Brian Pedersen of Bleacherreport.com writes, "It's all about creating an environment that's welcoming for the home team and hostile for the visitors, but regardless of the allegiance, the common goal is a memorable experience."
