Artist Steve Prince speaks during the Conversations in Color event series.

The [Amistad Research Center](#) (ARC) is offering a new way for the public to take part in Conversations in Color, the institution's free cultural speaker series.

With its 2017-18 season now available online through the ARC's Vimeo channel, Tulane community members can watch fascinating discussions of race, economics and politics from the comfort of their own home or on the go.

Sponsored by the [Greater New Orleans Foundation](#), Conversations in Color features artists, scholars and community activists, as they foster dialogue and discuss their careers and impact on social change.
