In That Number Newcomb Dance Program

Dance has had a long and illustrious history at Tulane. In the 1920s, dancers performed the maypole dance on the Newcomb College lawn, and by the 1940s, the Newcomb College Dance Club was established and dance became part of the curriculum of the Newcomb Women's Physical Education Department, later led by Elizabeth "Lib" Delery. By 2000, a full-fledged dance major was available to students to earn either a bachelor of arts or a bachelor of fine arts degree in dance. The master of fine arts degree program launched in 2015.
