

Technology upgrades implemented across campus

July 20, 2020 2:45 PM Tulane Today staff
today@tulane.edu

This fall over 175 classrooms will be technology enhanced for both in-person and online learning. These upgrades will assist with de-densification of classes while allowing students and faculty who are self-quarantining or self-isolating to continue their academic progress. To learn more about Tulane's technology enhancements, read [IT's Fall 2020 Reopening Guide](#). Photo by Paula Burch-Celentano.

Audiovisual technicians with Crescent Multimedia Solutions work to upgrade classroom technology equipment in Newcomb Hall.
