Donate your unwanted bike to BYOBikes on May 10-11 in front of McAlister Auditorium. BYOBikes collects, repairs and donates old bikes to New Orleans kids.

This year for the first time, Tulane University is partnering with local nonprofit [BYOBikes](#), which is committed to building a better community. The organization accepts donations of bicycles no longer wanted or needed by the owner.

BYOBikes makes necessary repairs to the donated bicycles and gives them to children in the New Orleans area. BYOBikes relies on donations to keep the program running.

On Monday, May 10 and Tuesday, May 11, BYOBikes will be collecting donated bikes on McAlister Drive in front of McAlister Auditorium between 3 p.m. and 7 p.m.

This event is sponsored by the Tulane University Police Department.
