After an unprecedented year, the Class of 2021 joyously celebrated their Commencement in-person in Yulman Stadium with nine individual school ceremonies held over the course of three days: May 19-21. Proud family and friends filled the stands of the stadium, socially distanced, to cheer on the graduates as they crossed the stage. A little rain and clouds didn't dampen the spirits of over 3,000 Tulanians celebrating the culmination of their academic achievements.
