Tulane-affiliated authors appearing at the New Orleans Book Festival at Tulane University include (from left) Ilana Horwitz, Robert W. Livingston, Iñaki Alday, Peter Ricchiuti and Susan Hassig. (Photos 3 and 5 by Paula Burch-Celentano; graphic by Chelsea Christopher)

When The New Orleans Book Festival at Tulane University officially opens on Thursday, March 10, some of the most popular and thought-provoking authors will be in attendance. Even better, many of those authors are already affiliated with Tulane University. Faculty and staff from across the university will appear on panels discussing a variety of topics on Friday and Saturday, March 11-12, 2022. Seating may be limited and is first come, first served.
