All graduates will pass through security upon arrival. At 8:30 a.m. graduates will be lined up, and by 8:40 a.m. they will be moving from the designated check-in locations. Inclement Weather Planning

The Unified Commencement Ceremony will begin at 9 a.m. in Yulman Stadium and will proceed rain or shine, unless severe weather (such as lightning, tornadoes or flooding) poses a significant threat or danger to the personal safety of graduates and attendees.

In the event of severe weather, graduates and their guests should plan for two scenarios if the university's rain plan is initiated:

Rain Delay: The start time of the Unified Commencement Ceremony could be delayed by up to two hours, for rapidly moving weather events. In such a scenario, the School of Professional Advancement and/or School of Law ceremonies could also be slightly delayed depending on the end time of the Unified Commencement Ceremony.

Postponement: In the unlikely event that severe weather conditions are expected to persist throughout the morning, the Unified Commencement Ceremony will be postponed until Saturday, May 21, at 7 p.m. Postponement will only occur in extreme circumstances.

If the university's rain plan is initiated, details about the changes will be communicated by:
