Remember those games from recess such as four square, dodgeball, tag and hopscotch? The Reily Student Recreation Center is bringing them back on Thursday (March 18) for a special session of Tulane After Dark activities.

With a look back on school play time, Recess at Reily will take place from 9:30â€“11:30 p.m., offering other indoor games such as Simon says, volleyball, soccer, knock out, double Dutch, egg/spoon relays, hoppy ball and scooters. Pizza and prizes will be provided.

Tulane After Dark is a program that provides late-night alternative entertainment for undergraduates.

A valid college ID is required for entry. Additional information is available by e-mailing [Sarah Grunblatt](#), or calling 504-314-2864.
