Big Sam's Funky Nation takes the stage for the Gulf Aid Benefit Concert on May 16 at Mardi Gras World. (Photos by Sally Asher)

Actor Tim Robbins speaks out at a press conference during the concert, which was sponsored by WWOZ radio in conjunction with SDT Waste and Debris, Mardi Gras World and Rehage Entertainment.

Musicians such as MyNamelsJohnMichael took turns entertaining the audience at the music festival, which raised funds to benefit fishermen and their families affected by the oil spill.

Ani DiFranco plays guitar and sings as one of the many artists who performed at the benefit.
