### *'Brains'*

Frank Tipler, a Tulane professor of mathematics, was recently added to the Science Hall of Fame and is listed among the most famous scientists of the last 200 years. He is No. 432 on the list that ranks Charles Darwin as No. 2 and Albert Einstein as No. 3. The full list includes 4,169 names and was compiled and published by the American Association for the Advancement of Science. To find out who's number one on the list click [here](#).

Since one good deed usually leads to another, I hope that you'll take a moment to vote for Tulane student Amy Holiday as she competes for a scholarship that will afford her the chance to spend 10 weeks in Africa studying social entrepreneurship and grass roots business development. Learn more about the program and cast your vote [online](#). Voting ends at 4 p.m. today. Good luck, Amy!

### *'Beauty'*
