Members of the Tulane University [Cycling Association](#) presented to Tulane President Scott Cowen the recently won trophy from the South Central Collegiate Cycling Conference Division II Championship. It was the team's first year of competition. As the May 6 presentation was taking place at Gibson Hall on the uptown campus, one of the club members, Allie Hurst, was competing in the USAC Collegiate Road National Championships in Madison, Wis.

Admiring the trophy are, left to right, team members Celeste Dolan, Ben Bradley, Landon Vom Steeg, Seth Christian and Zack Berman.
