Another commencement ceremony is in the books and another crop of Tulane graduates is heading out to make a name in the world. We'll take one last look at Commencement 2011. Although the venue was different from previous years, the ceremony was typical Tulane and typical New Orleans with an added touch of Wonder. Congratulations again to the class of 2011.

Enjoy the sights and sounds of Commencement 2011 in this multimedia presentation produced by Ryan Rivet.
