

Summer in New Orleans: More Than Just Hot

June 30, 2011 10:45 AM New Wave staff
newwave@tulane.edu

The heat. The humidity. Almost-daily rain showers. Summer in New Orleans can be brutal. In spite of the weather, New Orleans has a lot to offer during the summer. New Wave staffers Ryan Rivet and Paula Burch-Celentano asked people around campus what they think is the best thing about New Orleans summers. Check out their answers in this video.
