As Tulane celebrates homecoming week, Green Wave fans on campus show their school colors and enjoy blue-and-green sno-balls.

[Homecoming](#) provides a full slate of activities for students, parents and families, alumni, faculty and staff, and other Green Wave boosters. There's sure to be a sea of green at the [homecoming football game](#) vs. the University of Memphis, scheduled to kick off at 2:30 p.m. on Saturday (Oct. 22).
