Green Wave men's and women's basketball and volleyball teams have a new home of their own at the \$13 million Hertz Center, with its full-size courts, offices, locker rooms and specialized training area designed for court sports. A ribbon-cutting ceremony on Thursday (Nov. 17) celebrated the opening of the center with fans, benefactors, student-athletes and coaches.

"It's a much-needed facility that will give our student-athletes and coaches an immediate boost," said athletics director Rick Dickson. The [Hertz Center](#) is named in honor of the family of Doug Hertz, alumnus and chair of the Tulane Board Committee on Intercollegiate Athletics.
