“Be aware of your surroundings” is a useful piece of advice offered to college students as they travel on and around campuses, but this advice should go beyond simply looking over your shoulder. The infographic links to details on some of the ways that Tulane University helps keep students safe.

# CAMPUS SAFETY

## **TULANE UNIVERSITY POLICE DEPARTMENT**

officers are available to escort  
students traveling by foot.  
**504-865-5200**

**SAFE RIDE** dispatchers will call  
when they arrive to eliminate the  
dangers of waiting outside alone.  
**504-314-7233**

There are 72 blue light emergency  
phones available along the pathways  
of the uptown campus. Each dials  
directly to campus police.

Tulane police officers are patrolling  
24 hours a day on Tulane campuses  
and in the surrounding neighborhoods.
