Charlotte Travieso, director of the Office of Alumni Affairs, is a top fan of Tulane baseball and Saturday (May 5) was her special day at Turchin Stadium. Honored by the team because she will be retiring from Tulane in September, she sang the National Anthem and tossed out the first pitch for the Wave's game against the University of Southern Mississippi.

Travieso brought them good luck, as the [Green Wave](#) beat the Golden Eagles on Saturday, 3-2, and ended up sweeping the three-game series.
