Jianliang Dai and his son, Alex, are served during the "Pot Luck Thanksgiving Dinner" held Tuesday evening (Nov. 20) in the Lavin-Bernick Center. Presented by The [Center for International Students and Scholars](#) and the [Office of Multicultural Affairs](#), the annually held dinner provides a place for those international and multi-ethnic students who do not have a place to go for a Thanksgiving dinner or who have never experienced the American Thanksgiving tradition. Dai is a postdoctoral fellow on staff at the Center for Aging at the Tulane School of Medicine.
