

The beat of the band

August 12, 2013 9:00 AM New Wave staff
newwave@tulane.edu

The beat of the band can be heard as members of the [Tulane University Marching Band](#) arrived on the uptown campus this week for band camp. The band is getting ready to play at pep rallies and football games, as well as marching in Carnival parades, as seen in this video produced by Mendel Lee, a drumline instructor in the [Newcomb Music Department](#).
