Dear Tulane Community,

I am deeply saddened to share the news about the death of one of our students. Benjamin Burlock, 20, a sophomore in the School of Liberal Arts, died after an accidental fall on campus Friday night (Nov. 7).

We encourage students and colleagues who need assistance or counseling to contact the appropriate campus resources. Students can contact Tulane Counseling and Psychological Services (CAPS) at 504-314-2277 or Student Resources and Support Services at 504-920-9900. Faculty and staff can contact the Employee Assistance Program (EAP) at 1-866-486-4334 or <https://www.horizoncarelink.com>.

Our thoughts and prayers are with Benjamin's family during this very difficult time.
