This edition of The Green Room captures the excitement of Move-in Day on the Tulane University uptown campus on Friday (Aug. 21).

Hear interviews with some of the people who make the experience as smooth as possible, as well as some of the parents and the more than 1,700 students who moved into their new homes to start the academic year.

“My name is Michael Fitts, and I'm a sophomore here at Tulane University,” said the

president. "It's a magical moment in the life of Tulane University."
