Jack Tuero, far left, led members of the 1948 Tulane tennis team, from left, Dick Moledous, Les Longshore, Harcourt Waters and Wade Herren, to National Collegiate Athletic Association singles and doubles championships. Tuero also won SEC titles in 1947 and 1949 as well as an NCAA championship in 1949. The current [Green Wave tennis](#) squad hopes to duplicate these types of results after a successful Rice Invitational outing that saw two players win singles titles in their draw. The team will be back in action starting on Oct. 8 for the ITA All-American Championships in Tulsa, Oklahoma.
