Students get photos of themselves with sophomore linebacker Rae Juan Marbley following the Green Wave's 45-31 victory over the University of Central Florida on Saturday (Oct. 3) in Yulman Stadium on the Tulane University uptown campus. The win puts the Green Wave at 2-2 for the season and 1-0 in American Athletic Conference play. The Wave hope to carry the momentum of a two-game win streak with them to Philadelphia as they face off against Temple University on Oct. 10.
