Four-year-old Kynlee Meadows dashes through the snow on Friday afternoon (Dec. 4) during the annual Snow Day event on the Lavin-Bernick Center Quad on the Tulane University uptown campus.

A worker with Pelican Ice sprays the man-made snow across the LBC Quad. The yearly event features 20 tons of the shaved ice, and is sponsored by the Student Government Association of the School of Science and Engineering.

Tulane seniors Kbhi Kumar, left, and Blaise Bayer, right, pose on the snow with “Elsa” and “Anna,” characters from the Disney movie *Frozen*.
