'We do this to bring joy to our patients'

December 18, 2015 3:00 PM Carolyn Scofield cscofield@tulane.edu

Escorted by Louisiana State Police, Santa Claus arrived in style for a holiday party for young patients of the Tulane University <u>Department of Pediatrics</u>. Troopers sponsor the party every year, providing toys for the patients and their families.

<u>Hazel and the Delta Ramblers</u>, including Dr. Russell Van Dyke on banjo, entertained the families. Van Dyke is professor and chief of the Tulane <u>Section of Pediatric</u> <u>Infectious Diseases</u>.
